*American Educational Research Journal*, the *Journal of Educational Psychology* and *Contemporary Educational Psychology*. Dr. Saracho is the coeditor of the *Yearbook in Early Childhood Education* and coauthor of *Foundations of Early Childhood Education*.

**Linda J. Schmidt** is an administrator with the Chicago Public Schools and adjunct associate professor of educational administration at Chicago State University. She received her Ph.D. from Loyola University of Chicago. Currently, she is involved in research in organization and policy issues in the area of the administration of special education.

**Raymond G. Taylor** is professor and head of the department of educational leadership and program evaluation at North Carolina State University. He earned his Ed.D. at the University of Pennsylvania and served as superintendent of schools in Maine before moving to North Carolina. He is the coauthor of two books, *Innovative Practices in Educational Leadership* and *Power Sown: Power Reaped*, and the author of numerous research articles.

**Charles Teddlie** received the Ph.D. from the University of North Carolina at Chapel Hill. He is currently associate professor of research and statistics at Louisiana State University in Baton Rouge. He specializes in school and teacher effectiveness research and program evaluation. His most recent works have appeared in the *American Journal of Education*, *Socioeconomic Planning Sciences*, and the *Journal of Classroom Interaction*.

**Judy M. Wedman** received a Ph.D. from the University of Oklahoma. She presently is an assistant professor at the University of Missouri at Columbia. Her recent publications have appeared in *Reading Improvement*, the *Journal of Reading Education*, and *Educational and Psychological Thought*. She has been a public school teacher and student teacher supervisor, and currently teaches graduate and undergraduate reading education courses.

**Joyce Whitfield** received her Ph.D. from the University of Iowa. She has been a teacher, administrator, and student teacher supervisor. Her research interests have focused upon teacher education.
